## FIRST IMPRESSIONS PHOTO PKG A - Exterior & Interior

**Starting at just \$175** Includes professional daytime high definition photo's, professional art direction, replace blah skies with inviting blue sky, flames added for warm inviting fire pits and fireplaces, replace ugly black tv screens with attractive art, repair grass, and several hundred exposures hand blended for professional natural looking marking images to help you close more sales annually.

## GOLDEN HOUR GLOW - Premium Opt B Sunset Twilight

**Just \$45** Digital sky conversion to always assure a beautiful sunset facing the right direction to achieve a warm stunning golden glow that gets the attention of your buyers! Photographers and magazines know this as the "Golden Hour." Yet, the house is photographed in the daytime to achieve the best details and colors of the house.

## AERIAL COMPETITIVE EDGE PHOTO'S - Option C

**Starting at just \$95** with photo package, for high perspective Drone photography (where allowed) or high-pole elevation. Great for adding perceived value with a professional high perspective, capture stunning views, capture steep hills, or isolate distracting neighbor views.

## DELUXE WOW PACKAGE D - for luxury homes & enhanced scenic marketing

**Starting at just \$295 BEST VALUE!** Includes First Impressions photo package A, Package C aerial drone or pole high perspective photography & **Virtual Tour**. Multiple photo exposures naturally merged to capture the best of shadows and bright light (Not HDR).

## 3D FLOORPLAN (includes measure) starting at just \$125

Studies have proven that prospects turn into buyers more readily when they can see a floor plan layout with measurements, so they can mentally justify their furniture and lifestyle.
