Greater Portland / Oregon Coast / Vancouver, WA—Ask about travel photography

Floor plans included with all interior photo shoots

Effective 4-1-2025

### FIRST IMPRESSIONS PHOTO PKG A—Exterior, Interior & 2D Floorplan

**Starting at just \$245** (under 1,200 SF) Includes professional daytime high definition photos & colored floor plan w/ room labels. Professional art direction, replace blah skies w/ inviting blue, flames added to fire pits & fire places, replace ugly black tv screens w/ attractive art that compliments the space, grass repair, multiple lighting exposures hand blended together for professional natural looking marketing images to help you close more sales annually, at higher prices.

### DAYTIME TO TWILIGHT SUNSET CONVERSION B

**Just \$49** Digital sky conversion to always assure a beautiful sunset facing the right direction to achieve a warm stunning “golden—hour” glow that gets the attention of buyers! Photographers and magazines know this as the “Golden Hour.” Yet, the house is photographed in the daytime to achieve the best details and true colors.

### AERIAL COMPETITIVE EDGE PHOTOS—Option C

**Starting at Just \$49** (under 1,200 SF) with another photo package, for high perspective Aerial Drone Photography (where allowed) or high—pole elevation. Great for adding perceived value with an elevated perspective, capturing stunning views, steep hills, mountains, or isolate distracting neighborhood views to keep the focus on your property.

### DELUXE WOW PACKAGE D - for luxury homes & enhanced scenic marketing

**Starting at just \$345** BEST VALUE! Includes First Impressions photo package **A**, Package **C** aerial drone or high pole perspective photography, Virtual Tour Slideshow with motion and music, as well as a 2D colored floorplan with room dimensions. Multiple photo exposures naturally merged together to capture the best of shadows and bright light (Not HDR). Our unique 26 steps of editing to help your property capture buyers attention so they want to tour your home.
